I went out side our Puilding, as the President passesse was stoo standing near by heard someone all back into our but antered the of the tack office way. I did not	y sworn, on oath deposes and says. I work for the Texas School Sook Paparitor then seven years, at ill the Street. Prof. 163 I was working, we took our lunch period from 12 to less to watch the parade go by. I was standing on the front staps of the parade draw near I walked aloses to the street. Just after med by I heard three shots. The first thing I thought of was ing at the Precident. I summaried to Mr. Gamphall who was that I thought the shots had some from our building. But I we say no, I think it was farther down the street. I went liding and up to the second floor to our effice, just after you as one of the sam who work in the warehouse come through your. This door is located mear the lunch room and the rear stain now this man to be tee Oswald. I said to tee, this accorde has
